Purpose: The Department of Homeland Security (DHS) will use the biographical information to conduct a security threat assessment. Your fingerprints and associated information will be provided to the Federal Bureau of Investigation (FBI) for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories). The FBI may retain your fingerprints and associated information in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI. DHS will also transmit the fingerprints for enrollment in the US-VISIT's Automated Biometrics Identification System (IDENT). DHS may provide your name and SSN to the Social Security Administration (SSA) to compare that information against SAA's records to ensure the validity of your name and SSN.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C. 522a(b) of the Privacy Act, all or a portion of the records or information contained in this system may be disclosed outside DHS as a routine use pursuant to 5 U.S.C. 522a(b)(3) including with third parties during the course of a security threat assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine uses identified in the TSA system of records notice (SORN) DHS/TSA 002, Transportation Security Threat Assessment System. For as long as your fingerprints and associated information are retained in NGI, your information may be disclosed pursuant to your consent or without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses.

Disclosure: Pursuant to § 1934(c) of the FAA Reauthorization Act of 2018, TSA is required to collect your SSN on applications for Secure Identification Display Area (SIDA) credentials. For SIDA applications, failure to provide this information may result in denial of a credential. For other aviation credentials, although furnishing your SSN is voluntary, if you do not provide the information requested, DHS may be unable to complete your security threat assessment.

#### BGR AIRPORT SAFETY SECURITY RESPONSIBILITY AGREEMENT

Please ask if you have any questions.

- Airport security is of fundamental importance. Everyone working or operating on the airport must understand that they play a vital role in keeping the airport safe and secure. BE ALERT AND BE AWARE.
- ➤ Report any suspicious activity, and challenge and report any individual who is not displaying proper ID for the AOA you are in to Airport Operations (207-992-4624), or Bangor Police (911).
- > Ensure that any gate or door that you pass through closes securely behind you. If gate/door does not secure, stay there and call Airport Operations with the gate/door #.
- > **NEVER** loan your badge to anyone. This badge is issued solely for your use only.
- Escort privileges come with responsibilities. Those you are escorting are your responsibility. Do not escort more persons than you can control. Ensure those you are escorting understand that they must remain with you at all times.
- All airport issued badges must be returned to the Security Badging Office at the conclusion of your duties on the airport, when the badge expires (the date on the front) or if requested by Airport Operations, or an Airport LEO/Police.
- > You are responsible for your badge. Report lost or stolen badges to the Airport Security Office immediately.
- > Fines can and will be levied if your badge is not returned, or you need a replacement due to lost/stolen, or if it becomes inoperative due to misuse or abuse.
- > Badges must be displayed above the waist on the outermost garment at all times.
- ➤ In most cases your badge does not give you access to all parts of the airport. Please make sure you understand your working area. You must have the proper badge and a work related need to be in any area. Your badge is not to be used for non-work purposes.
- > Violations of any of the above rules can result in the revocation of your security badge and loss of access to the airport.
  - When travelling as ticketed passengers badge holders have no special access and may only access the Sterile Area via the TSA Passenger Screening Checkpoint. No passenger may board an aircraft by bypassing TSA screening and all items loaded on an aircraft must be screened by TSA.
- "SCREENING NOTICE: Any employee holding a credential granting access to a Security Identification Display Area may be screened at any time while gaining access to, working in, or leaving a Security Identification Display Area."

In the issuance of a security badge, the Airport Compliance Office relies heavily on the representations and certifications made by applicants and tenant supervisors or managers. However, the Airport Compliance Office retains the ultimate authority, right and responsibility to determine if an applicant, in fact, has a legitimate need for an ID badge/access card, and thus if such request shall be granted.

### BGR'S EXPIRED BADGE POLICY

Per TSA directives, any badge holder that allows his or her badge to expire, even for 1 day, must be treated as a new applicant in order to get a new badge issued to them. Their expired badge must be immediately turned in to BGR's Compliance office, and all access, other than escorted, is suspended until the rebadging process is completed. The individual must fill out a new application, and resubmit fingerprints/background checks, if required. Upon return of all background check results, the individual must retake all applicable training.

Prior to badge reissuance, the applicant must pay \$70 to reimburse BGR for time and fees involved with processing a new applicant. This cost is to be covered by the applicant, not the employer of the applicant.

For any badge that is not returned within 30 days of expiration, a \$200.00 non-returned badge fee is charged to the badge holder.
