

## Parking Information

The Shuttle Parking Lot is open during peak parking periods when the Long Term Lot is nearing capacity. Look for signs as you approach the Airport for information on lot status.

If directed to the Shuttle Lot, it is suggested that you drop off passengers and luggage at the terminal, and then proceed back to the Shuttle Lot and take the shuttle to the Airport Terminal.

### WHERE TO PARK

The Shuttle Lot is conveniently located on Maine Avenue, just 1/2 mile from the Airport Terminal.

### RATES

The Shuttle Lot rate is \$9 each day and \$56 each week. The first hour is free.

### FREE SHUTTLE

A courtesy shuttle runs between the Shuttle Lot and the Airport Terminal every 10-15 minutes from the time the lot opens in the morning until the last flight of the day. You can either wait in your vehicle or in one of the shelters.

The shuttle will take you to the front door of the Airport Terminal.

### RETURNING

The shuttle will take you back to the Shuttle Lot upon your return. During peak travel times, the shuttle will be staffed and running to the lot on schedule.

During off-peak times, the shuttle will run upon demand. Simply use the Courtesy/Shuttle Phone, located on the first level of the Airport Terminal near the baggage claim area. A driver will be right along to assist you.

The shuttle will park to the right of the Airport Terminal as you exit the main doors to the front.
